

## Mission

Our mission is to educate, motivate, and assist in developing planned gifts in support of ELCA ministries as tangible expressions of gratitude for God's blessings.

Whether it is a planned gift for one's home congregation or another ministry of the Evangelical Lutheran Church in America, Lutheran Planned Giving Services provides free confidential charitable estate planning consultation for today and for the future - while helping members of the Nebraska Synod ELCA fulfill their wishes in advancing the Lord's work in ways they find meaningful and important.
