

Willing Witness Community

The WWC was developed in the Nebraska Synod to recognize all who have included an ELCA ministry (including their home congregation) in their estate plans. The WWC also means to "lift up" this form of stewardship among fellow Lutherans.

You can become a Willing Witness through a variety of vehicles:

- Wills
- Trusts
- Beneficiary Designations

- Gift Annuities
- Charitable Trusts
- Life Estate Agreements

These instruments each have different advantages and tax benefits. LPGS is always available to you for discussion about your personal situation at no cost or obligation.

LPGS welcomes all to the WWC, regardless of the size or type of their planned gift. Do not hesitate to contact LPGS if we can help you develop a planned gift for the ministry that best represents your passions.
